École Rocky Elementary NEWS

4703—50 Avenue, Rocky Mountain House, AB T4T 1S4 PH: (403) 845-3541 FAX: (403) 845-5480

Welcome to the 2019/20 School Year at École Rocky Elementary School!

My name is Mr. Tim Bowman and I am the new school principal at ÉRE after Mr. Snyder retired last June. I am so excited to be joining this wonderful school!

A little about me - I grew up on a farm near the small town of Onoway a little northwest of Edmonton, but my professional career has taken me all around Alberta. I started as a music teacher in Spruce Grove and then Red Deer, but have since been to Whitecourt, Ponoka, and now Rocky Mountain House as a school administrator. All added up, this is my twenty-third year in education! I am married to Paula and we have two children currently in grade four and six. Outside of school, I am active as a musician (piano & saxophone) and volunteer often with the youth 4-H program.

We also have some other new staff I would like to introduce you to - Mrs. Kim Simo is our new Assistant Principal and Student Success Facilitator. She is coming to us from Caroline School. We also have a new music teacher - Mrs. Sharlene McLaughlin, a new grade 5 teacher - Ms. Brooke Johnston, and a new grade one French immersion teacher - Ms. Lauren Bolton. Ms. Bolton started grade one as a student in the immersion program at ÉRE and has now returned to teach it!

Our school start up has been amazing! On the first day of school, we held a Welcome Back Assembly where we introduced the staff. We then talked about our one big school rule - Hands, feet, and words are for helping, not hurting. I also shared with students a few new things at ÉRE like classes singing O Canada on the school announcements, a daily challenge draw, and Pizza with the Principals for monthly award winners! Already I am very impressed with the student diligence to their studies and kindness shown to everyone in the school.

I look forward to meeting you soon! Please feel free to schedule a meeting with me by contacting the school, or plan to attend one of our upcoming school events: Terry Fox Run (Sept 25, 1:45 pm), School Council Meeting (Sept 30, 12 noon), September Assembly (Sept 30, 1:45 p.m.), and Grandparent's Day (Oct 10, 1:30 p.m.)

At our first day assembly, the students and I decided that this will be our BEST YEAR EVER and I'm certain it will be. If at any time you have questions or concerns, please contact me at the school by phone (403-845-3541) or e-mail (tim.bowman@wrsd.ca).

All my best,

Mr. Bowman

CLUB MOO MILK PROGRAM & LUNCHES

There will be changes happening to the Club Moo Program and student lunches! Please watch for more information as we transition to an online ordering system coming out in the near future. A huge thank you to Kiza Trentham and Misty Jacowishen for their hard work in organizing these program for our students.

INCLEMENT WEATHER—CLOTHING

With the weather changing quickly, you should be aware of the current weather forecast. Dressing in layers allows your child to be more flexible to changing weather conditions and activities.

Ensure your child comes to school dressed properly (footwear and clothing) for those rainy or snowy days. As children like to play in puddles, sometimes they accidentally fall in to these puddles and are in need of a change of clothing. We carry a very limited supply of clothing in the office for students to change into, please throw an extra set of clothing into their backpacks for those rainy days.

We are always in need of extra clean clothing at the office. If you have children's clothing that you don't have a need for, we would gratefully accept these items.

ÉRE school picture day is on October 22 & 23 this year! We are in need of two parent volunteers to help ensure our picture day runs smoothly! Please let the office know if you would be interested in helping out! Forms will be forwarded home closer to the date.

- ★ Thank you to Dovercourt Community Hall Club for their donation of \$700 to the ÉRE Fundraising Committee. Thank you to all those who participated in the Bingo!
- ★ Thank you to Lisa Scholz for her donation of scribblers for student use!
- ★ Thank you to Crystal Sieppert for her assistance in the office with ADmazing Savings orders and last year's yearbook distribution!
- ★ Misty Jacowishen for her assistance with distribution of Custom School Supplies!

STUDENT DEMOGRAPHICS CONFIRMATION FORM

Mrs. Morgan will be sending home a *Student Demographics Confirmation Form* in the near future. Please make any necessary changes, sign that you have reviewed the form and return to school as soon as possible. If you have changes throughout the year, please contact the school to provide this information.

All forms need to be signed and returned even if there are no corrections/changes.

Thank you for your assistance in this matter.

SCHOOL FEES—VARIOUS

Agendas, Amazing Savings Ticket Packs, Pre-K Fees will be on-line shortly. Parents/guardians are encouraged to pay on-line. See page 14 for instructions for online payments.

ALBERTA EDUCATION

Parents and teachers can find a variety of resources in the Alberta Government's online **website** to help with preparing for the new school year. **My Child's Learning** provided by Alberta Education, gives parents an in-depth look at the subjects and program available from Kindergarten to senior high school.

<http://www.learnalberta.ca/content/mychildslearning>

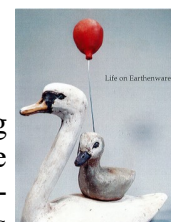

PERSONAL PROPERTY

With over 300 students in the school, it is expected that things will and do go missing. Often items are retrieved from the playground, or from one of two lost and found boxes in the school. Smaller items (jewelry, money, etc.) are stored in a drawer in the office. There are always things which are never returned to their rightful owners, and we would ask parents to monitor what their children bring to and from school. Please avoid sending special or expensive toys and devices—students often have to leave them unwatched during class time, and the school cannot be held responsible for unexplained losses. If your child comes home with something that you do not think belongs to him/her, even if they say it was a “gift,” please give the school a call and have the student return the item to us.

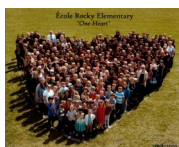

THE ALBERTA FOUNDATION FOR THE ARTS (AFA) TRAVELLING EXHIBITION PROGRAM

LIFE ON EARTHENWARE is a touring exhibition developed by the AFA Travelling Exhibition Program (Trex). The program is financially supported by the AFA. Its mandate is to ensure every Albertan is provided with an opportunity to enjoy full developed exhibitions in schools, libraries, health care centres and smaller rural institutions and galleries throughout the province. Check out the display in the front foyer display case before September 23rd.

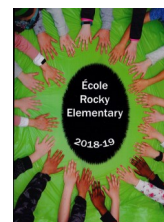

2018/2019 SCHOOL HEART PHOTO

We have a limited number of pictures available for sale. Cost \$10/photo. If you wish to purchase one, please drop by the school office.

2018/2019 YEAR BOOKS

If you ordered a 2018/2019 year book, they will be sent home with your child later this week.

A MESSAGE FROM THE LEARNING COMMONS

Welcome Back!

I hope you all had a wonderful summer!

If you found books over the summer that belong to the library, now is the time to bring them back. If you cleaned out your book shelves and would like to donate your gently used books to the library, we would love to have them.

Students have started to sign books out from the library, so please help your student find a safe place to keep their books. A large Ziploc works really well to protect books in their backpacks from spills.

We are still running “MakerSpace” in our Learning Commons. If you have any craft supplies, games, puzzles, or building items that you would like to donate, they would be greatly appreciated.

I hope everyone has a great year!

Mrs. Allen, Librarian

Please let us know what you think and any suggestion you may have for the future.

NEWSLETTERS—IMPORTANT

As in the past our school has a goal to go as paperless as much as possible with our school and classroom newsletters. All classroom and school newsletters will be posted on our website. A phone call home will be made to advise the newsletter is available on-line. At the same time emails go home with the phone call and there will be a newsletter attachment. For those who do not have access to a computer, a limited number of school newsletters will be available at the office.

Thank you so much for your assistance in this matter.

Our next School Council meeting will be on Monday, September 30th at 12:00 p.m. in Room #32. A light lunch will be served. We are in need of a new executive for our School Council and have the following positions available:

VOLUNTEERS

Thank you to all parents/guardians who volunteer at École Rocky Elementary! Our school cannot function without your valuable assistance. We rely on volunteers to assist with the operation of our library, reading programs, field trips, classrooms (each classroom teacher need volunteers) and office assistance, Club Moo Milk Program, etc.

Please return the volunteer letter that is being sent home in the very near future if you are able to assist at the school in any way. Contact the office if you did not receive this form by the end of next week. Please contact your child's teacher or let the teacher know how you can help. Criminal Record and Child Welfare checks are required (free with a letter from school). Please keep in mind that once we have received these documents they are good for three years with Wild Rose School Division. We will make a copy and return the originals so you may use them at others schools, etc.

We also need help for special events around the school, such as our upcoming Book Fair. This is an invitation to all parents/guardians. You are welcome to help either as a regular volunteer in the library or for special events, such as the Book Fair. Please leave your name with your child's teacher or at the office (403) 845-3541.

A MESSAGE FROM WRSD TRANSPORTATION

If you need to arrange busing for your child, you can do so on the www.wrsd.ca website . Have your municipal blue sign address, when you register.

Just a reminder to call your bus driver if your child/children will not be riding the school bus.

Signed notes from the sending and receiving parents/guardians of the students must be provided to the bus driver when a student is requesting to ride a bus that is not their regular route (i.e. riding home with a friend).

When children are being picked up after school and will not be riding their regular bus, the person picking up the child must sign the binder in the office, which gets faxed over to transportation just before the end of the day.

The following radio stations are designated to receive information in the area served by Wild Rose Public Schools:

- ♦ In the North part of the Division CFCW 790 AM, and CIBW-FM 92.9 FM.
- ♦ In the South part of the Division BIG 105 FM and CKGY 95.5 FM and B-94.5 FM.

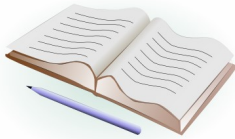

When buses do not run, and parents choose to deliver the child to school, the parent shall also be responsible for ensuring safe transportation home for the student. The school is always open, even if buses do not run. It is necessary for children to wear warm clothing (outer) during cold weather, including appropriate footwear. Parents are asked to use good judgment and care when deciding whether or not to send their child(ren) when weather conditions are extreme or when there is danger of roads being blocked. When a route will not operate, the schools are contacted by fax prior to 8 a.m., the information is posted on the website (www.wrsd.ca) and the driver is expected to call parents of the students on his/her route. A free Transportation App is also available on the website.

Please feel free to call the school office if you require further information.

VISITORS & VOLUNTEERS

When you are visiting or volunteering at the school, please sign in at the office. When you leave, please initial the same sheet. This will ensure if there is an emergency we can account for every person. Thanks for your assistance in this matter.

A SPECIAL REQUEST TO PARENTS OF CHILDREN WHO WALK TO SCHOOL

We provide supervision at the school beginning at 8:20 in the morning. Please arrange to have your child leave home so that she/he does **not** arrive at the school before 8:20 a.m.

DROP OFF AND PICK UP STUDENTS

Students being dropped off before 8:40 a.m. should use their assigned entrance. Late arrivals should enter through the main entrance and stop at the office for a late slip. When picking up students, please pick up in the foyer at the main doors. This increases student safety and decreases hallway congestion. Thank you for your help.

INTRAMURALS

Intramurals for grades one to five has begun this week at second break. Thank you to Mrs. Turner for running this program giving students the opportunity to participate in extra curricular sports. Intramurals will begin on Tuesday, September 10th (Day 1).

Grade 1 & 2	Day 1
Grade 3 & 4	Day 2
Grade 5	Day 3

ILLNESS

Good health is necessary for effective learning. In fairness to all, please do not send your child to school if there are clear signs of ill health in the morning. We have neither the facilities nor the personnel to care for sick children. Students who are ill should receive proper medical attention and should not attend school until their health is reasonable.

Students who become ill during the day are to immediately inform their teacher. Our policy is to contact parents and ask that student be picked up as soon as possible. For this reason, it is important that parents ensure that all necessary information such as phone numbers, emergency contact, medical information, etc. is kept up to date.

Roots of Empathy
Racines de l'empathie

ROOTS OF EMPATHY

Submitted by Mrs. Allen

Roots of Empathy will be starting up soon. Our Roots of Empathy is looking for families with babies that will be between 4-5 months of age at the end of September to participate in our Roots of Empathy Program. Roots of Empathy is an evidence-based classroom program that has shown significant effect in reducing levels of aggression among school children while raising social/emotional competence and increasing empathy. If you would like to learn more about the program you can come and talk to Mrs. Allen or go to www.rootsofempathy.org.

BIRTH CERTIFICATES

A student, parent/guardian or custodian is required to present legal proof of a student's name, citizenship and birth date when a child is registered in school. If a student was born in an authority outside of Canada, an official documents from that authority will be accepted. If this documentation has not yet been provided to the school, we request you have this in by mid-November. We are required to have a copy of all students' birth certificates on file.

The approximate cost of obtaining a birth in Alberta is \$40. The parent/guardian requesting the birth certificate must have one piece of identification (their own birth certificate, driver's license or passport). Once ordered, it will take approximately two weeks to arrive. **Application forms are available at the office.**

RETURNED CHEQUES

There will be a \$20.00 charge for cheques that are returned. If this situation arises we will need payment made in cash and we ask that you please clear up these types of matters at your earliest convenience.

STUDENT AGENDAS

Students in grades one to five received agendas. In the front of the agenda is information for parents/guardians in regards to general school information, calendar, school policies, etc. Please take the time to share this information with you child. The cost of agendas are \$7.00 for students in Grade 1 to 5 which may be paid on-line or at the office.

TERRY FOX RUN

On Wednesday, September 25th from 1:45—2:30 p.m. students will be participating in the Terry Fox Run. Fundraising for this run is optional, **Pledge sheets will be available at the office.** A dedication wall will be set up at the school so students can dedicate their run to someone affected by cancer. If your child is participating in the fundraiser, please have their pledge sheet in by Friday, October 4th. Call the school if you have any questions.

SAFE ARRIVAL PROGRAM FOR ATTENDANCE **1-855-756-2797 or <http://wrsd.schoolconnects.com>**

École Rocky Elementary uses an automated serviced call the Safe Arrival Program for reporting student attendance. This has been in place since November 2013. The Safe Arrival Program allows parents/guardians to report their child's absence in advance, or before a cut-off time of 9:00 a.m. for the current day in one of two ways:

Logging onto the Safe Arrival Parent Portal website: <http://go.schoolmessenger.ca>

Calling the Safe Arrival toll free phone number: **1-855-756-2797**

The message machine used at the school will no longer take messages from parents about attendance. Please use one of the two methods mentioned to report your child(ren)'s absence.

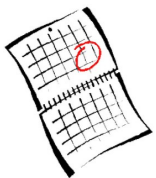

The Safe Arrival Program reduces the time it takes to verify student attendance making it easier for you to report your child's absence and easier for the school to respond to unexplained student absences.

We are asking parents/guardians to report student absences prior to 9:00 a.m. for the current day, as well as planned future absences via the internet or telephone 24 hours a day, 7 days a week, e.g. medical appointments.

The Safe Arrival Program uses an automated notification system to contact parents/guardians who have not reported their child's absent. The automated notification system will contact parents/guardians at multiple contact numbers until one of the designated contacts is reached. If our system is unable to reach a designated contact after 30 minutes, office staff will follow up. By reporting your child's absence in advance using the **1-855-756-2797** number or <http://go.schoolmessenger.ca>, you will not receive a call. Should you have any questions or concerns, please contact the school.

WILD ROSE SCHOOL DIVISION PARENT CALENDAR

A WRSD Parent Information Calendar has been sent home with all children. You may also find this calendar on the Wild Rose School Division website: <http://wrsd.ca> under the Parent section Division Calendar. If for some reason you did not get one, please contact the office.

AFTER SCHOOL ARRANGEMENTS—IMPORTANT

It is extremely important that if your child's afterschool arrangements have changed that you write a note to your child's teacher and contact the bus driver. Unless there is a note the teacher will follow your child's usual after school arrangements.

BREAKFAST PROGRAM

Our "Breakfast Program" is up and running. It runs from 8:20 a.m. to first bell at 8:40 a.m. Any student in the school has the option of coming to the program. Some students have long bus rides, sleep in, aren't hungry when they leave home, but are hungry once they get to school. There is no charge for this program. It operates as part of the "Breakfast Club of Canada" with our main sponsor being Encana. If you or someone you know would like to make a donation to our breakfast program or are able to assist, please contact Mrs. Allen at [\(403\) 845-3541](tel:4038453541).

We are in need of helpers on weekday mornings from 8-8:45 a.m.

Please contact the school if you are able to help.

If you are interested in leaving your name and phone number to be able to come in when we are short of helpers, please contact Mrs. Allen.

BACK-TO-SCHOOL LUNCH IDEAS

Give your kids the energy they need to succeed at school. Try out these new healthy lunch ideas:

- Tropical ham sandwiches (ham, pineapple, banana)
- Peanut butter sandwiches made with grated carrot, banana, applesauce, sliced apples/pears or raisins (please keep in mind if there are peanut allergies in the classroom)
- Wraps/tacos: fill them with whatever your child likes
- Yogurt or homemade pudding with added fruit
- Hot soup or chili in a thermos
- Cheese and apple sandwiches
- Homemade pizza

GIVE YOUR CHILD THE TOOLS TO GET ORGANIZED FOR SCHOOL SUCCESS

She rushed out the door, late for the bus again. Five minutes later, you saw her math homework sitting on her bed.

Helping your child get organized is one of the most important ways to help her do better in school. After all, if she doesn't have her homework, she can't turn it in for a grade.

Here are some tips that will get your child organized year:

- ✪ Start with a daily checkup. Each day, have your child clean out her back pack—all the way to the bottom (yipes!). Then help her make a list of what she has to do that day. She'll feel good as she checks off each item on her list. And you'll be happy when you don't find math homework on the bed in the morning.
- ✪ Help your child set up a study space. Kids who aren't naturally organized need all the help they can get. Studying in the same place every day is one way to help them focus. You don't have to buy a desk—the kitchen table can be a good study spot. But collect pens, pencils, paper, erasers and other study supplies in a box. That way, they'll be ready when she needs them.
