LEARNING COMMON NEWS—BOOK FAIRS

We have a Book Fair coming to our school very soon. It will run November 20-22. We will be open both nights during Parent/Teacher interviews.

We invite your entire family to participate by purchasing the latest and greatest in children's books. Did you know that for every \$10 you spend at the Fair up to \$6 goes directly back to our school? Your support of this vital literary fundraiser is key to our obtaining new books and resources for our library and classrooms.

If you are able to volunteer for the Book Fair please contact me in the Learning Commons (Library).

Thank You and Happy Reading!

Mrs. Allen, Librarian

ÉRE BREAKFAST PROGRAM

ÉRE's Breakfast Program is off to a great start! Thanks to all of the adults who have volunteered to help out. We offer breakfast to students from 8:20 a.m. until the first bell rings at 8:40 a.m. Our program is sponsored by various companies/corporations through the Breakfast Clubs of Canada. We also have some community sponsors as well. We are always looking for donations from anyone in the community.

HOUSEKEEPING ITEMS

A reminder for students purchasing milk occasionally, the cost is 90¢.

We have a 'no head gear' policy in the school. Students are welcome to wear hats or toques outside, but upon entering the school students must remove these items.

Everyone is asked to remove wet or muddy footwear when entering the school. Outside footwear is not to be stored in student lockers.

When sending cheques for various activities i.e. Agenda Fees, Fieldtrips, etc., please issue separate cheques.

When sending cash for various activities, fees, etc., please send exact change as we do not keep a float in the office for making change. Parents/guardians are encouraged to pay online.

Thank you for your attention to these matters!

AFTER SCHOOL ARRANGEMENTS—IMPORTANT

There are times when an emergency comes up and the school office must be contacted during the school day to pass on new arrangements for students after school. Such rare occasions are unavoidable and pose no problem for the school.

However, there are students who routinely don't know what is happening after school or who are unsure where they will be going. This can create a great deal of anxiety in many children and be a source of distraction throughout the school day. Please establish and communicate your expectations for after school with your child in advance and then confirm changes in routine by writing a note in your child's agenda. This way their teacher can reassure them as to the change in routine and assist them as needed. If your child routinely rides a bus (other than a shuttle bus to the Pioneer bus lanes) your child's bus driver also needs to be notified so the driver is not kept waiting for a child who is not going to be riding the bus on a given day.

If you need to pick up your children before the end of the school day, please sign them out at the office. Your children will then be paged to come to the office to leave with you. The list of students who have been signed out early is then faxed to Transportation so that they can double check for students who will not be taking their bus on a given afternoon (this does not apply to shuttle bus service).

A download of the updated app is required for it to work.

VOLUNTEERS

Thank you to all those parents, guardians and grandparents who have volunteered in our school for their gift of time. It is greatly appreciated by all! You make a huge difference to kids. Your contribution adds so much to our positive school environment.

You will require a Criminal Record Check and Intervention Welfare Check to be able to volunteer at ÉRE. You may pick up a letter from the office which you can present when requesting the Criminal Record Check and a form for Intervention Welfare Check which we will have at office for your convenience.

PURDY'S CHOCOLATES

We will be starting our next fundraising campaign for the grade 5 Calgary Field trip shortly. **The chocolates will make great Christmas gifts!** The deadline to order (online with Purdy's or through school) will be November 26th (no exceptions after this date) and the delivery date will be December 6th.

MOM'S PANTRY

The Grade 5 classes have sent home a Mom's Pantry catalogue. Proceeds from this fund raiser will be going towards the Grade 5 Calgary field trip. Just a reminder to send any orders for mom's pantry are due November 15th (no exception after this date).

Delivery will be end of November or beginning December.

OPERATION CHRISTMAS CHILD

Submitted by Mme. Ria

ÉRE will be participating again this year in Operation Christmas Child. More than 168 million shoeboxes have been given to kids in over 100 countries since Operation Christmas Child began in 1993. A shoebox gift from Operation Christmas Child tells a child in need that they are loved and opens up a whole bunch of life-changing opportunities for them, their family and their community. It begins with a shoebox and results in education. It is also an occasion for your child to learn how to care and share. If you wish to participate and pack a shoebox this year for a child, please sent a note to the school and we will send home a shoebox with instructions. We will be collecting boxes from November 18th to 22nd.

NUTRITIONAL BREAKS

As you know, our Balanced Day creates two scheduled lunch breaks for our students (10:38 a.m. and 1:22 p.m.). **It is important to provide enough nutritious food to sustain your active, growing child through the school day.**

Check Out Our Website: <https://ecolerocky.wrsd.ca>

PARENT/TEACHER INTERVIEW EVENINGS - CHRISTMAS MINI MARKET

Thank you to Mrs. Jacowishen organizing the mini market and table rentals. Proceeds will go towards enhancing your child's education. Mark your calendar November 20th & 21st. Watch for further details in the near future.

STUDENT AGENDAS

Students in grades one to five received agendas. In the front of the agenda is information for parents/guardians in regards to general school information, calendar, school policies, etc. Please take the time to share this information with you child.

The cost of agendas are \$7.00 for students in Grade 1 to 5 which may be paid on-line or at the office.

MEDICATION

According to WRSD Policy #504.2, we are required to obtain information regarding any medication (prescription and non-prescription) that students have to take at school. If your child has to take medication, even if it is just Tylenol, we must have a completed and signed **Medication/Personal Care Request** form on file. All medication should be sent to school in the original container. All medication are kept in a locked drawer in the school office and school personnel administer it according to the form. A school employee is not a licensed medical person; however, he/she will act as a responsible parent would in the administration of the medication.

Please contact the school if you have any further questions.

© Can Stock Photo

With over 300 children in the school, it is expected that things will and do go missing. Often items are retrieved from the playground, or from one of two Lost and Found boxes in the school. Smaller items (jewelry, money, etc.) are stored in a drawer in the office. There are always things which are never returned to their rightful owners, and we would just ask parents to monitor what their children take to and bring home from school. Please avoid sending special or expensive toys and games—students often have to leave them unattended most of the school day, and the school cannot be held responsible for unexplained losses. If your child comes home with something that you do not think belongs to him/her, even if they say it was a “gift”, please give the school a call and have the student return the item to us.

STUDENT DEMOGRAPHICS CONFIRMATION FORM

A *Student Demographics Confirmation Form* had been sent home. Please make any necessary changes, sign that you have reviewed the form and return to school as soon as possible.

Please remember to call the school if there are any changes to phone numbers, etc. throughout the year. We need to have current phone numbers in case of an emergency.

All forms need to be signed and returned even if there are no corrections/changes.

Thank you for your assistance in this matter.

Picture retakes as been postponed. You will be notified as soon as we received a new date. If you wish retakes, return the photo package you will be receiving this week. Please indicate on your child's photo order you are requesting retakes .

TERRY FOX RUN

Once again, École Rocky Elementary participated in the Terry Fox Run. The weather was wonderful and the event was a great success! \$619.55 was raised! It was touching to see how many in our school have been impacted by cancer. Thank you to M. Ouellette, Mrs. Turner, and Mrs. Koenig for their assistance in this activity.

Although we have two large Lost and Found boxes in the school, they both tend to be overflowing on a regular basis. In order to keep the school sanitary and organized, we are required to empty and clean these boxes several times each year. Please drop in and check for missing coats, sweaters, etc. The Lost and Found boxes will be emptied and cleaned following the next parent-teacher interview week in November. Parents and students are encouraged to check through these boxes on a regular basis. Unclaimed items are donated to the Next to New so that they can be recycled.

SKATES & HELMETS

We are in need of used skates and helmets for students to use for the skating program. If you have any of these items that your child(ren) are not using and would like to donate them to the school, please drop them off at the office. Thank you to those families who have donated skates and helmets this school year—they are being put to good use!

CLOTHING FOR KIDS

Our school has received donations of coats, boots, mittens, socks and hats for kids and a recycling program for children's winter clothing is underway. We have a small supply of good, clean coats, etc. Check at the office for directions. If your child needs something, you are free to take it. If you have items that your children have outgrown such as coats, boots, mittens, hats, socks pants, tops and swimsuit/towels, please feel free to drop them off.

Thank you to everyone who has donated clothing to the program. We are in short supply of mitts, gloves, toques, pants, tops, socks, etc.. If you happen to have any of these items to donate, please bring them to the office.

ADMAZING SAVINGS TICKET PACKS

The deadline for the sales of ADmazing Savings Ticket Packs has been extended to November 27th. We are providing families the opportunity to purchase ADmazing Savings. Ticket Packs (available for Red Deer, Edmonton, Calgary or southern Alberta) for a cost of \$25/book includes a free APP. These books make a great gift for any family! For each book purchased there is an entry form at the front of the book to fill out for a chance to win an all-expenses paid for a family of four trip to Disneyland, and two changes to win an Alberta StayCation, valued at \$2,500 each and many more prizes! You may order online or purchase these books at the office. All proceeds will go towards the enhancement of the education for ÉRE students. We still have a few books available at the office.

HOMEWORK/STUDY SKILLS

Promote effective study habits for a successful school year

Homework can be a major source of conflict for parents and kids. But even if study time goes well in your family, it's important to make sure you're covering the basics. Take small, simple steps that promote cooperation and good study habits. Remember to:

- Choose a regular time and place for studying. It should be somewhere quiet with no TV or similar distractions. Pick a comfortable spot and stock it with necessities. Kids study better, and with fewer complaints, when they follow a routine.
- Allow free time first. Some kids need to blow off steam after school by exercising or chatting. Many also head straight for a snack or drink. Keep healthy options available that will energize your child for work and play.
- Encourage organization. Productive studying starts with a to-do list. Older elementary school students should make one each day.
- Postpone screen time. Watching TV and playing video games are privileges that often take away from priorities, including homework, reading and socializing. Save all screen time for after homework and studying.
- Pay attention. Homework time is a chance for you to learn about your child. Does she excel at reading? Struggle with multiplication? Have trouble with spelling? Work with her teacher to build on her strengths and overcome challenges.
- Be supportive. Don't do your child's homework for her. But do stay nearby to supervise. It's okay to answer questions and guide your child through problems. But if you feel she needs too much help in an area, talk with her teacher.

MAKERSPACE

“MakerSpace is a general term for a place where people can get together to make things.” (S. Roslund & E.P. Rodgers)

Our MakerSpace is a physical space located within the Learning Commons at É.R.E.. It provides hands on ways to encourage students to design, experiment, build, invent, tinker, and discover using a variety of materials and tools.

Makers are artists, crafters, knitters, seamstresses, builders, programmers, engineers, painters, wood workers, tinkerers, inventors, bakers, graphic designers and more.

No two school MakerSpaces are exactly the same nor should they be. MakerSpaces are as unique as the people and spaces that they are housed in.

We have put our MakerSpace together using donated items. **We accept donations of games, puzzles, small wood pieces, beads, paper, felt, wool, fabric, fine wire, anything that you can play or make something with.** So, if you're cleaning, downsizing, or have extras of something, please keep us in mind. Thank you!

**INCLEMENT
WEATHER
INFORMATION**

Schools in the Wild Rose School Division will stay open all day on regularly scheduled school days regardless of the weather, providing that the building is deemed safe and comfortably heated. The primary consideration in the event of severe weather conditions shall be the health and safety of students. Parents are expected to exercise good judgement and care when deciding whether or not to send their child(ren) to school when weather conditions are extreme.

The following radio stations are designated to receive information in the area served by Wild Rose Public Schools:

- ♦ In the North part of the Division CFCW 790 AM, and CIBW-FM 92.9 FM.
- ♦ In the South part of the Division BIG 105 FM and CKGY 95.5 FM and BIG WEST 94.5 FM.

When buses do not run, and parents choose to deliver the child to school, the parent shall also be responsible for ensuring safe transportation home for the student. The school is always open, even if buses do not run. It is necessary for children to wear warm clothing (outer) during cold weather, including appropriate footwear. Parents are asked to use good judgment and care when deciding whether or not to send their child(ren) when weather conditions are extreme or when there is danger of roads being blocked. When a route will not operate, the schools are contacted by fax prior to 8 a.m., the information is posted on the website (www.wrsd.ca) and the driver is expected to call parents of the students on his/her route. A free Transportation App is also available on the website.

Just a reminder to call your bus driver if your child/children will not be riding the school bus.

INCLEMENT WEATHER—CLOTHING

With the weather changing quickly, you should be aware of the current and weather forecast. Dressing in layers allows your child to be more flexible in changing weather conditions and activities.

Ensure your child comes to school dressed properly (footwear and clothing) for those rainy or snowy days. As children like to play in puddles, sometimes they accidentally fall in to these puddles and are in need of a change of clothing. We carry a very limited supply of clothing in the office for students to change into, please throw an extra set of clothing into their backpacks for those rainy days.

We are always in need of extra clean clothing at the office. If you have children's clothing that you don't have a need for, we would gratefully accept these items.

If your child has to bring skates on the bus, the skates must be in a heavier bag (absolutely no plastic bags). No hockey sticks allowed on bus.
